To whom it may concern:

My name is Eddie Evans the President of the 100 Black Men of Tulsa Oklahoma Chapter. It is with great pleasure that I can give Keith Reed a recommendation and speak to his character. I have known Keith for thirty five (35) years, and I have watched as Keith has excelled in his skill for mentoring young people in the Tulsa Community.

Keith has a great passion for working with younger boys and girls and has demonstrated his ability to work with and mentor youth through athletics. Through Keith's work with young people he has developed athletes as well as young adults appreciating the benefits of hard work and fair play.

Keith was recognized this year and entered into our Hall of Honor our highest award given to Community Contributors. Keith's work with young people of Tulsa is outstanding.

I consider Keith one of most outstanding men in his community, and I consider him to be a worthy recipient of any reward for his service.

Best regards,

Eddie L. Evans, President
